November Financials and Account Balances:

November Financials and Account Balances were presented. Member DeVary made a motion to accept the November Financials and Account Balances as written. Member Cooper seconded the motion. The motion carried.

NEW BUSINESS:

Community Picnic- Charles Ringgold, would like to make "Make a Difference Day" a yearly event. People have already been contacting him about coming to the next event. He is not sure what he is going to need at this time. Would like to do an obstacle course this year and may need some help with that or music. Mr. Ringgold would like to secure a date possibly in May. He will contact Treasurer Roland to secure a date to reserve the pavilion.

Mr. Ringgold and a couple of the junior football coaches would like to get together and run a 4-5 week spring football camp at the park. They would like to do it for those that have never played football, new to the sport, and to get them in shape. He would like to start couple weeks before baseball started. Mayor Zang indicated the group would need to sign a waiver of liability. We would have to make sure the area they want to use is free of holes. Mayor Zang recommended that Ringgold go out to look at the area they want to use, measure it out, and look at it closely. He has in the past taken some of his team of kids through the exercise equipment and had noticed that there was a soft spot near the volleyball court. Administrator Cooper also suggested that he ask high school students to volunteer and they could get volunteer hours in return. Possible date for this camp would be February 23rd to March 16/23rd.
